Anglican Parish of Huntley

2018 Schedule – January - September

613-839-3195 ~ www.huntleyparish.com

Things to Keep in Mind:

- All three buildings are available for the sacramental ministries of the church at any time during the year (upon arrangements with the Rector)
- Christ Church hosts a Sunday School & Coffee Hour on the 2nd Sunday of each month (September through June)
- St. James hosts a Sunday School each Sunday from until June
- The Parish hosts a mid-week Eucharist and Fellowship from mid-September through to the first Wednesday of June on Wednesdays at 10am at St. James
- Members of the Parish are welcome to participate in leadership roles at any of the three church sites. Worship Team Coordinators at Christ Church (Lee Cox - 613-836-2375) and St. James (John Montgomery - 613-866-1091) can be contacted so that you can join the team. St. John's creates their Worship Team just before the service ~ so just be there a few minutes early to take on a role.

There are over 129 liturgical services in the course of the year at the Anglican Parish of Huntley. Your presence and support are always welcome as you journey with Christ in community

Our ministry extends into hundreds of different activities and acts of service throughout the year ~ remember that your own faith development is dependent on your discipleship being lived out both within AND beyond liturgical worship

We are a diverse community growing in the presence of the living Jesus, proclaiming the gospel and seeking to connect with the wider community and each other, through faith, worship and service
